

CAD DRAFTER/DETAILER

About HME, Inc.:

Haas Metal Engineering is a leading AISC-certified provider of high-quality structural steel, custom metal fabrication, and erection services. For 25 years, HME, Inc. has championed innovative solutions, adopted cutting edge technologies, expanded our capabilities, and grown our workforce to meet the everchanging needs of the construction industry. Our accuracy, dependability and responsive customer service has made us the first choice for many contractors, not just in the Midwest, but nationwide.

Job Purpose:

HME, Inc. is seeking an individual to assist in the design and drafting aspects of steel fabrication.

Duties & Responsibilities

- Produce shop drawings, assembly drawings, and erection drawings
- Analyze, design, and select appropriate steel member connections for projects
- Submit requests for information (RFIs) to customers
- Provide final checks of drawings to ensure compliance with contract documents

Qualifications & Experience

- Associate degree in drafting or similar education
- Experience with Tekla and/or Auto/CAD preferred
- Knowledge of structural steel and miscellaneous metals
- Knowledge of current building codes and regulations
- Must be able to successfully complete all post-offer and pre-employment contingencies
- Must be legally authorized to work in the United States without company sponsorship now or in the future

Required Skills & Behaviors

- Ability to read and interpret drawings and contract specifications
- Manage multiple projects at once
- Analytical and problem-solving skills
- Strong leadership, organizational and planning skills
- Strong written and verbal communication skills

Benefits

- 100% Paid Health Insurance for You + Your Family
- Competitive Salary + Incentive Bonuses
- 401 (k) Plan + Company Match
- Exclusive Investment Opportunities

- Paid Time Off + Paid Holidays
- Flexible Work Schedules + Multiple Shifts
- Family-Focused Culture
- Casual Attire + Fun Environment

Salary Range: \$50,000 - \$70,000

Projected Start Date: January 2023 or May 2023
