# PRODUCTION

Play an integral role in the  
manufacturing process of  
structural steel products

**HME, INC.**  
HAAS METAL ENGINEERING

# SHOP PRODUCTION AT HME

## MATERIAL PROCESSING

Operate machines to process parts in preparation for fabrication and welding. Machines include beamline, plate processors, angle line, press brakes, and others.

## FABRICATION + WELD SHOP

Lay out, align, and secure parts using straight edges, combination squares, tape measures, and other tools to complete assemblies. Weld assemblies to AWS specifications. Obtain your weld qualification and requalification to AWS on the job.

## PAINT + COATING SHOP

Provide surface prep services including primer, painting, and coating options.

## DESIRED DEGREES + EXPERIENCE

All experience levels welcome. No degree required.  
Employer paid training provided.
