ABOUT HME

Haas Metal Engineering (HME) is a leading AISC-certified provider of high-quality structural steel, custom metal fabrication, and erection services. For more than 25 years, HME has championed innovative solutions, adopted cutting edge technologies, expanded our capabilities, and grown our workforce to meet the everchanging needs of the construction industry. Our accuracy, dependability, and responsive customer service has made us the first choice for many contractors, not just in the Midwest, but nationwide.
